

## **Adam Lee** - *General Superintendent*

Adam comes to Ridge Corporation with superintendent experience in building over 1,600 multi-family apartment units across Indiana and Ohio. His superb success rate stems from his vast construction knowledge across many types, keen attention to detail, excellent scheduling techniques, and subcontractor relationships. His dedication to ensuring an on time, on budget, and quality delivery of a project is second to none in the industry.

When Adam is not making sure a project is smooth sailing, you can probably find him at a local fishing hole catching the next large mouth bass, or at your nearest Cabela's trying on the newest outdoor sporting gear.
